

Feature Film Screenings

High quality fulldome films with science visualization, experimental techniques, or latest production technologies, will be selected and screened at Dome Fest. Approximately 10 films are planned to be shown; selected works will be decided by the Program Selection Committee of IFSV in case of exceeding entries.

Eligibility for Entry

Creator (producer/director) of the submitted work.

Note that it is required to give a 10 min. presentation by the creator himself/herself.

Format

Full-length 15-40min fulldome works

- ◇ Either Domemaster format or Equirectangular format is accepted. Refer to **Final Data (for screening) Format** for details.
- ◇ Trailers or previously screened films at 1st-8th Dome Fest are not accepted.
- ◇ English or Japanese (audio or subtitles) should be included. (Preferably multilingual)

Entry Fee

20,000JPY for slicing/set-up cost.

The fee will be applied only when your work is selected for screening at Dome Fest.

Note that the Dome Fest Admission Fee (4,000JPY) will be required to attend the Dome Fest .

How to Apply

Submit your application using the **Web Form**. <https://goo.gl/forms/H1vKjh7Svy8I7E8J2>

Along with the entry through the web form, you must also submit a preview movie (full-length) of the submitted work either **[A] by Uploading Data to a designated location** (A URL is given in an auto-reply email to your application), or **[B] by Mailing a storage medium**.

[A] Uploading Data *-Recommended*

Access the URL given in an automated reply to your application and following the instruction to upload the video & audio files of your work.

[B] Mailing a storage medium

Send a storage medium (USB3.0/3.1 Type-A flash memory or HDD, DVD, etc.) with the video & audio files of your work to

GALAXCITY Maruchi-Taiken Dome
Attn: IFSV Admin [Feature Film Screening]
1-3-1 Kurihara Adachi-ku TOKYO 123-0842, JAPAN
<Phone Number: +81-3-5242-8161>

- ◇ Do NOT send your inquiry to the address/phone number above; If

you have any questions, contact IFSV office at info@ifsv.org.

- ✧ The submitted media can be picked up at the Dome Fest reception, or will be disposed in a responsible manner if not claimed.

= Preview movies Format =

1k(1024x1024) – 2k(2048x2048) domemaster, or 2k (2048x1024) – (4k (4096x2048) equirectangular format, 30fps or less, mp4 Movie with audio.

Deadline for Application & Preview data submission

Friday, November 30, 2018 (JST)

Your application will be invalid if your preview data has not been received by this date.

Notice of the selection result

Mid December 2018 (JST)

If your work has been selected, you will be asked to also submit the data for screening, and fulldome clips for 10min. creators' presentation if any, as follows;

Final Data (for screening) Format
